

Welcome 2004 and the blessings it brings! The Lord spoke to me just after the new year and gave me the words, NO LIMITS! There are no limits to what He can do in us, no limits to who we can minister to and no limits to where we can go for Him. Our minds are so limited to what this life offers, but with Jesus as the center of your life there are no limits to the adventurous journey He has in store for each of His children.

The voice of the Lord came as I was reading in Isaiah 26:15, *You have increased the nation... You have expanded all the borders of the land.* That is what the Lord wants to do for His people, expand so no limits and boundaries are placed on our feet, hands and mouths. The souls of this world are our inheritance. The Lord also shows us in Psalm 2:8, *Ask and I will give you the nations for Your inheritance, the ends of the earth for Your possession.* What a blessing and what a promise, in Psalm 37:29, 34, *the righteous shall inherit the earth and dwell in it forever... He shall exalt you to inherit the land.* This freedom and prosperity comes as we are obedient in trusting and waiting on His voice. The beginning of verse 34 tells us to wait on the Lord and keep His way, and then we will inherit. Also in Psalm 37:9, *...those who wait on the Lord shall inherit the earth.* Come meek and come broken as Psalm 37:11 says, for you will receive the earth, you will hear from God and know His calling.

We are a blessed people, called to be set apart and reach all people to hear the saving power of God. Psalm 37:22, *those blessed of God will inherit the earth.* No longer will there be limits. For your trust is in Him and you are blessed (Psalm 2:12). Go forth and conquer, prosper in every journey, as there are NO LIMITS in 2004 and beyond for the work of Gods anointed.

The Lord has given us power and authority over this land, it is the Lord's, allow Him to work through you and show you your inheritance.
